## SECTION 4: BEAM & JOISTS

Are there any visible signs of Corrosion on Beams, Joists or Brackets?

Yes	No

Are there any visible signs of Damage to Beams, Joists or Brackets?

Are there any missing, damaged or corroded fasteners?

*If you answered "Yes" to any of the above questions, please explain below:*

---

---

---

## SECTION 5: BLOCKING AND STRAPPING

Are there any visible signs of Corrosion on Blocking or Strapping?

Yes	No

Are there any visible signs of Damage to Blocking or Strapping?

Are there any missing, damaged or corroded fasteners?

*If you answered "Yes" to any of the above questions, please explain below:*

---

---

---

## SECTION 6: BEAM & JOISTS SPLICING (IF PRESENT)

Are there any visible signs of Corrosion on Beam or Joist Splicing?

Yes	No

Are there any visible signs of Damage to Beam or Joist Splicing?

Are there any missing, damaged or corroded fasteners?

*If you answered "Yes" to any of the above questions, please explain below:*

---

---

---

## SECTION 7: JOIST/RIM CONNECTION

Are there any visible signs of Corrosion on Joist/Rim Connection?

Yes	No

Are there any visible signs of Damage to Joist/Rim Connection?

Are there any missing, damaged or corroded fasteners?

*If you answered "Yes" to any of the above questions, please explain below:*

---

---

---

## SECTION 8: MISCELLANEOUS

Are any Joist or Beam caps missing?

Are any weep holes on Joists and Beams clogged or blocked with debris?

Is there any other damage, corrosion or missing components on the framing system that wasn't mentioned above?

Are there any signs of insect or animal infiltration in any of the steel framing components?

Are there any other areas of concern on the framing system that need to be addressed?

Yes	No
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>

*If you answered "Yes" to any of the above questions, please explain below:*
